

The Clifton Park Water Authority makes no representation regarding the abilities, performance or quality of service of the testers listed below. Further, the CPWA does not assume or accept any responsibilities for the actions or performances of such testers. This list is provided only for the convenience of our customers. Customers are responsible for their own contracts with these or any other certified testers. Please also note that this list is not comprehensive, as there are many other capable, certified testers in the area. This list is presented in alphabetical order and does not indicate any preference on the part of the CPWA.
